Persian International

Arya Yaragh Sanat at a glance

The founders of Arya Yaragh Sanat began their activities on 1983 in the field of construction hardware and especially started as the first manufacturer of aluminum fittings and founded in 2004 with over 21 years of experience in manufacturing and trading to develop an international brand.

The field of activity of this unit is production and supply of various types of construction fittings including door handles, types of cabinets and cabinet fittings under the HTN-Prime brand manufactured by Iran, Italy, Turkey and China.

Finally, the years of experience of presence in the market and recognizing products with global brands and technical knowledge has led to one of the largest and most equipped manufacturers of handles, locks and fittings in Tehran with an area of 11000 square meters and the efforts of Iranian workers to distribute across the country and global markets, it has made a great effort to make a golden leaf on the history of the Iranian industry.

SINCE:1983

Why HTN-Prime?
